IN CAMERA REVIEW ORDER

All pretrial matters have been referred to this Court pursuant to 28 U.S.C. § 636(b). The matter currently before the Court is the Court's *in camera* review of the government's *In Camera*, *Ex Parte* Response of the United States of America to This Court's June 20, 2024 Amended Order ("Response"), along with its Exhibit 1, which is a summary log of recordings.¹ [ECF No. 70] The Court has reviewed the government's Response and its Exhibit 1 and finds that both comply with the Court's Amended Order. More to it, the recordings described in Exhibit 1 appear to be relevant and discoverable in the context of Fed. Rule Crim. P. 16 and Defendant's purported defenses.

Accordingly,

IT IS HEREBY ORDERED that the government shall, within ten (10) days, provide Defendant with copies of all recordings as presented in Exhibit 1.

SO ORDERED:

JOSEPH S. DUEKER
UNITED STATES MAGISTRATE JUDGE

Dated this 16th day of July, 2024.

¹ Exhibit 1 is a summary log of recordings in response to this Court's Amended Order and Report and Recommendation of United States Magistrate Judge ("Amended Order") [ECF No. 69] requiring, among other things, the government to provide certain materials to the Court for its *in camera* review.
